CHICAGO SOBELL COMMITTEE INTERNAL SECURITY - C

A source, who has furnished reliable information in the past, advised on December 16, 1950 that at that time the Chicago Sobell Committee (CSC) was circulating in Chicago two postcards described herein: (1) card with "Seasons Greetings" on one side and on the other, "Mr. Morton Sobell, P. M. B. 71342, Atlanta 15, Georgia." (2) second card has on one side, "Fresident Dwight D. Eisenhower, The White House, Washington, D. C." and on the other side is a message which states as follows:

Washington, D. C.

"Dear Mr. President:

"Because, like thousands of Americans, I believe that Morton Sobell did not have a fair trial and consider his 30-year sentence orugl and inhuman punishment;

"Because Morton Sobell has stradfastly maintained his innocence throughout his imprisonment; and

"Because the holiday season is a time to renoance vengeance and to actively sock justice and good will toward all men; therefore I urge you to grant elemency to Morton Sobell at this time."

Following this message is a place for a signature and an address.

This source also made available a letter on December 16, 1958 which at that time was being circulated at Chicago by the CSC. This letter, from CARLFON BEALS to Mrs. (HELEN) SOBELL, wife of MORTON SOBELL, follows:

100-104111. 3338

REI CHICAGO SOBELL COMMETTER

"Dear Mrs. Sobell:

"Conspiracy" trial which resulted in your busband being sentenced to thirty years in prison and the transcript of the arguments on appeal.

"I have read every word of the 1715 pages with Gare. Only a relatively few pages deal with testimony concerning Sobell, and they contain the testimony of only one witness, Max Elitcher. Otherwise no evidence whatever was presented against your husband.

"Another brief section deals with the trip of Sabell and his wife and two children to Menteo, in an offert to prove that he was floeing from justice.

which is an anticipation of the specific charges or what evidence they might have to rofute.

"As a result the prosecution, by distortion, fulsification and suppression, was able to give his trip to Mexico the appearance of flight. There is no doubt debell was laboring under considerable fear, but even had he fled to Mexico fliggelly, which he did not, this under law does not constitute guilt of any orime. Thus it was not brought out at the trial:

> "(1) That he went to Mexico under his own many and reported to American authorities before leaving.

- "(2) That he was not under indictment and was not charged with any crime when he left, only after he returned.
- "(3) That he had gone logally to Vevice. In court it uss stated that he had no visa, which was technically correct, thus implying he had entered Nexico illegally. Actually he had a legal tourist card, all that is required, and went through the Mexican immigration offices and costoms at the border in the usual legal memore.

CIAL.

GOIL IT? MUTAL

CHICAGO SOBELL COLMERE

"(4) That he was never deported from Hexico, although an American immigration official presented evidence, wholly erroneous, to that effect.

"(5) That actually he was kidnappod with the connivance of U. S. Federel agents, was brutally beaten until unconscious, that he was taken to the border in violation of Mexican and U. S. laws and treaties.

 b) That he was taken across the border and spirited across in the doel of night, his abductors being joined by prearrangement by a Federal marshall. That his entire family was similarly kidnapped and whished screes the border at night.

"(8) That investigations by the Maxican Consul in Larodo confirmed these criminal acts.

"(9), That the Mexican Department of Immigration and the Department of Gobernacion both provided documentary evidence, not presented at the trial, that Sobell had never been deported.

Bobell, Max Elitcher, was a self-confecsed 'projurer' and 'liar'. At various times he had also been under psychoanalytical treatment.

"During his testimony only two sentences remotely suggest, and these are purely hearsny, that Sobell had any connection with any allegod conspiracy. Also, Elitcher testified that one evening he accompanies Sobell on a ten minute ride to the vicinity of the accused Julius Resemberg's New York spartment to deliver a can (contents unknown) presumably to Resemberg. No direct evidence, either cral or material, was given at the trial that Sobell even knew any atomic secrets, or that he gave any steale or any other secrets to Resemberg or Enybody else. His crime, se presented at the trial, secred to consist of having been a fellow engineering student at New York City College, what even thes. He knew none of the others involved in the trial and nother witness except Elitcher." His name was not mentioned by any other witness.

CONFIDENCIAL

RE: CHICAGO SOBELL COMMETTE

"In short, no oral, material or even remotely circumstantial evidence was ever presented in court to warranhis conviction or his sentencing. It is no absurd it is incredible. I know of no other instance of miscarriage of justice, or more brazen denial of elementary human rights, in the history of jurisprudence in this or any other country.

"Frankly, and this may sound harsh to you given your personal interest in the matter, I started reading this transcript with the hope that I would discover evidence beyond a reasonable doubt, that he was guilty, for I was anxious to preservo my illusions concerning the noble processes of American justice.

"Sincorely yours,

"s/ Carloton Beals

CO FIDINTIAL

"P.S. - You are free to use this letter and my previous letter in any way you see fit."

Proceeding this letter is a statement which reads:

"Text of Statement on the Morton Sobell Case by Carleton Beals, Author, lecturer, sutherity on Mexico and the Carribean area, and former consultant to the U.S. government on Mexican affairs. Mr. Beals calls Sobell's conviction a "brazen denial of elementary rights! and 'se absurd it is incredible' in the following letter to Mrs. Morton Sobell."

On Tuesday evening, December 9, 1958 at 6:45 P.N. in room 225 of the above addressed building, a class was held on Mao-Tae-Tung's article, "On Contridiction" it was the second in a series of three lectures and was conducted by Harry K. Wells. There were 15 persons in attendance.

A list of classes for the winter term was given out at this class.

Wells spoke sgain on universality and also on particularity of contridiction. He used a diagram with society as his example and brought forth contridictions within contridictions right on down the line. He said it was a favorite of his. He spent most of the time on, under what conditions, which half of the contridiction would give it the form

NATIONAL COMMITTEE TO SECURE JUSTICE FOR MORTON SOBELL IN THE ROSENBERG CASE

149.400

Following the execution of atomic spies ETHEL and JULIUS ROSENBERG in June, 1953, the "Communist campaign assumed a different emphasis. Its major effort centered upon MORTON SOBELL," the ROSENBERGS' co-defendant. The National Committee to Secure Justice in the Rosenberg Case - a Communist front which has been conducting the campaign in the United States - was reconstituted as The National Rosenberg-Sobell Committee at a conference in Chicago in October, 1953, and "then as The National Committee to Secure Justice for Morton Sobell in the Rosenberg Case." National headquarters remained at 1050 - 6th Avenue, New York City. Co-Chairmen of the newest organization were DANIEL MARSHALL and JOSEPH BRAININ.

Above material consists mainly of handwritten notes by SARAH HAMMOND reflecting contacts and results thereof in connection with her work with the Sobell Committee. Copies of correspondence to and from SARAH HAMMOND also were included. This information is set forth below in the order of the office to which it pertains. No attempt has been made by WFO to analyze or otherwise determine the meaning of the information. It is being supplied to interested offices for any action deemed appropriate or for possible assistance in future investigation of this matter. It is pointed out that SARAH HAMMOND's handwriting is very poor and where there was any doubt as to the meaning of a particular word or phrase, that information was left out. Where a name was not clear, but an address was included, an attempt was made to decipher the name. In those instances the name will be followed by (?).

Most of the material below lists contacts of SARAH HAMMOND which were maintained by her in two 5'' x 7" loose-leaf notebooks with the following geographical breakdown:

Pennsylvania Area Wilmington Area Baltimore Area Washington, D. C., Area

The information regarding contacts will be set out first under each office heading and will then be followed by correspondence or other miscellaneous information where applicable.

Copies of this letter are being sent to the Bureau in view of many contacts with members of Congress or their staff by SARAH HAMMOND and because their reaction An most instances were noted by her. In connection with this, several letters from individuals to their Congressmen are set forth under the field office covering the person's home address rather than in the section dealing with the Congressmen.

BOSTON DIVISION

Material from informant contained a letter from SARAH HAMMOND, 158 East Main Street, Newark, Delaware, to Mr. and Mrs. JOE WEICHBROD, 8321 Tahona Drive, Silver Spring, Maryland. This letter was dated June 26, 1958, and thanked the WEICHBRODs for their hospitality during a recent visit with them by the HAMMONDs. Page two of this letter contained the following:

"If you have finished with the film of Helen on T.V., please mail it to: SUE KORITZ, 1207 Blue Hill Avenue, Mattapan, Massachusetts. SUE needs it for Boston's party on July 12. When you send it to her, I guess you'd better warn her about the Iwo Jima film on the lead-in. If you have a showing of it that conflicts with SUE's date, notify LEAH in New York and I imagine she'll see about another print. But you'd better give her time."

Informant also advised that the following names were written on a scrap of paper and that there were two dollar signs behind each name. They are: LUKE WILSON, Wellfleet, Mass., DANNY WEITZMAN, Glouster, Mass.

DETROIT OFFICE

There were no contacts listed under Detroit, but informant made available copies of the following correspondence which bore the return address 303 E. Grande Ave., Hyland Park, Michigan, and which was dated June 13, 1958. "Mrs. ROSE SOBELL, 1900 F. Street, N.W., Washington, D. C. My dear Mrs. SOBELL, Enclosed are copies of letters which I have sent to Washington. I hope that these will be of some use to you. I would be interested in being there with you but finances in this part of the country are not easily available. I know you understand. I will be there though, in spirit-as the saying goes.

Good luck to you in Washington. You have the backing of all of us in Detroit.

Sincerely, (signed) ROSY DOLINSKI ROSEMARY DOLINSKI"

- 25 -

One of the letters referred to above is as follows with the same return address, and date as above; """, "Rep. CHARLES C. DIGGS, JR., House Office Building, Washington, D. C. Dear Mr. DIGGS: Mrs.ROSE SOBELL is in Washington this month visiting your colleagues asking support and help in freeing her son, MORTON SOBELL, from prison. I am asking her to call on you.

Please look into the case with her and give your support and advice to this cause.

Mr. SOBELL claims to be innocent of the charge attributed to him. I feel that he should have a new trial to settle the issue since recent world events have happened in such a way as to justify his claim.

I trust that you will do your utmost in helping this man to justice.

I thank you in advance.

Sincerely, ROSEMARY DOLINSKI

cc: Mrs. ROSE SOBELL"

LOS ANGELES OFFICE

There were no contacts of SARAH HAIMOND in the territory covered by the Los Angeles Office. Informant did, however, make available a copy of a letter dated November 24, 1958, from LINUS PAULING to Miss SARAH L. HAMMOND, 6802 Glenville Road, Silver Spring, Maryland. This letter was on stationery with the heading of California Institute of Technology, Pasadena, California, and read as follows:

"Dear Miss HAMMOND: I am sorry to say, in answer to your letter, that I am not planning to attend the Christmas Meeting of the A.A.A.S. in Washington. I find it difficult to get away from home at Christmas, and I shall not be traveling East at that time, nor, indeed so far as I now have planned, until April or May.

- 26 -

Please extend my best regards to Mrs. SOBEL .

Sincerely yours, LINUS PAULING"

MINNEAPOLIS OFFICE

The informant made available a copy of a letter postmarked St. Paul, Minnesota, June 23, 1958. It was addressed to Mrs. ROSE SOBELL, Park Central Apartments, 19--F Street, N.W., Washington, D. C. The return address was: ROSEN, 2010 Thure, St. Paul 16, Minnesota.

This letter dated June 21, 1958, read as follows:

"Dear Mrs. SOBELL, This is to inform you that I have written copies of the enclosed letter to Senators HUBERT HUMPHREY and EDWARD THYE and also to Representative EUGENE McCARTHY.

I only hope they will in some way help to gain you an audience.

The best of good fortune to you all.

Sincerely, Mrs. LOIS ROSEN, 2010 Thure Avenue, St. Paul 16, Minnesota."

The letter referred to above is as follows:

"Dear Sir: May I urge your consideration for Mrs. SOBELL, who is now in Washington to plead for justice for her son, MORTON.

I'm sure that you will find that your consideration of the facts will lead to the conclusion that he was wrongfully accused and imprisoned.

Please interest yourself in this case."

- 27 -

The following letter was written on the stationery of the Minnesota Committee to Secure Justice for MORTON SOBELL, 715 South Lexington Parkway, St. Paul 2, Minnesota, and bore the date June 18, 1958. "SARAH HAMMOND & ROSE SOBELL, Park Central Apts., 1900 F Street, N.W., Washington, D. C. Dear SARAH and ROSE: Enclosed is copy of two letters. We have lined up at least half a dozen to write, and I hope you have received or will receive copies of all.

It was hardest to get people to write to WEIR---for some reason none of our committee people live in his district! But we finally got a couple lined up, including Professor PAUL HOLMER...we are counting on his writing. People here feel there is a good chance of getting WEIR to sign the petition. Let us know!

Reports sound very good. Good luck with the Minnesota people. Sorry we've been so slow on this.

Warm regards_ (signed) JEAN JEAN BRUST"

This letter contained the following post script:

"We've been on a local telephone interview program the last three nights. I called in Tues., got a hostile reply Wednesday & JULIA answered them today. Hope someone else calls in tomorrow!"

The two letters mentioned above are identical but addressed to different people. One was addressed to Senator HUBERT HUMPHREY, and the other was addressed to Representative EUGENE McCARTHY. They both bear the return address of 715 South Lexington Parkway, St. Paul 2, Minnesota, and read as follows:

"Dear Sir: To many thoughtful citizens of this country, the Morton Sobell Case is the Dreyfus Case of our generation. To remedy the injustice of the Dreyfus Case took the devoted and courageous work of people who believed strongly in Civil liberties. To remedy the injustice of the case of MORTON SOBELL will take the same courage, the same devotion to right, and justice in the face of prejudice and emotionalism.

- 28 -

We feel deeply that this case is a blot on the conscience of America. Because we believe that you have the necessary courage and devotion to justice, we urge you to receive ROSE SOBELL, MORTON's mother. Mrs_SOBELL is now in . Washington seeking justice for her son. Please see and talk to her, and study the facts of this case. We feel sure you will then do everything in your power to held her and others to right this wrong.

Mr. and Mrs. WILLIAM Z. BRUST"

Informant also made available an envelope postmarked Minneapolis, Minnesota, June 18, 1958, which was addressed to Mrs. ROSE SOBELL, Park Central Apartments, 1900 F Street, N.W., Washington, D. C. This envelope bore the return address of JULIA E. ZUBAY, 4620 Third Avenue South, Minneapolis 9, Minnesota, and contained copies of two identical letters which were addressed to Senators HUBERT HUMPHREY and E. THYE which read as follows:

"We have within the past year learned the facts in the Morton Sobell Case. There is overwhelming evidence that MORTON SOBELL is innocent and that a great injustice has been done. Not only do we feel a great concern for this man who has suffered so much unjustly, but how can any of us feel secure in our freedom while he is in prison!

Many eminent people in the United States have given time and attention to the Sobell Case. It cortainly should have the attention and consideration of our law makers.

Mrs. ROSE SOBELL, MORTON's mother, is in Washington this month seeing members of the Senate and Congress. I am sending her a copy of this letter and asking her to call on you.

Will you please give the Morton Sobell Case your careful attention.

Thank you.

:

Respectfully yours, JULIA E. ZUBAY RALPH A. ZUBAY"

÷

The third letter was addressed to Dr. WALTER JUDD, House of Representatives, Washington, D. C., and read: "Since we have received several questionnaires from you regarding views on various questions which concern us all, we know that you want to be informed of your constituents view- r points.

We are writing you now because we want you to know that we believe a great injustice has been done to MORTON SOBELL. There is overwhelming evidence that...left to rot in jail, how can any of us feel secure in our freedon?"

This letter then concluded with the identical last two paragraphs as set forth above and was signed by JULIA E. ZUBAY and RALPH A. ZUBAY.

A copy of an envelope addressed to Mrs. ROSE SOBELL, Park Central Apartments, from ARTHUR W. HOPKINS, 513 West 25th Street, Minneapolis 5, Minnesota, was also made available. It was postmarked Minneapolis, Minnesota, June 16, 1958, and contained the following copy of a letter written to WALTER JUDD, House Office Building, Washington, D. C.:

"Dear Congressman JUDD: I have been informed by the Minnesota Committee for Justice for MORTON SOBELL that Mrs. ROSE SOBELL, mother of MORTON, is striving to meet as many Congressmen as possible in order to acquaint them with the facts in the case of her son who is imprisoned at Leavenworth as a result of false testimony and mass hysteria during the Rosenberg, Atom Spy trial.

There are very many persons including this writer, who feel that the imprisonment of MANTON SOBELL is as great an act of injustice as was that of ALFRED DNEYFUSS in France. It was proved in the Dreyfuss Case that his imprisonmentwas a coldly calculated political move inspired by his political enemies, and in the case of MORTON SOBELL there is a great mass of proof that his imprisonment is also politically inspired by the Reactionaries of this day.

I, therefore, ask you to see Mrs. ROSE SOBELL when she comes to Washington to interview Congressmen with a view to having the case of her son considered by the Congress of the United States. I know you share my horror of injustice, hence this appeal to you to at least give Mrs. SOBELL a hearing. As OLIVER CROMWELL appealed to the Church of Scotland in 1650, 'I beseech you, in the bowels of Christ think it possible you may be mistaken.'

> Sincerely yours, ARTHUR W. HOPKIMS"

NEWARK OFFICE

Informant made available a copy of the following letter dated June 10, 1958:

"Dear SARAH: I was very happy to hear from you. The last time you were here you said you were a terrible writer. Well I'm no writer at all. My daughter-in-law had to answer this letter for me.

If you would like to have some activity in Atlantic City, you will have to come down here. I am no organizer, but I'll help you all I can.

If you feel you can't come down, maybe you can call and give me some advice over the phone. I really need your help.

If you can come down at any time, I'll be very happy to have you and DAVID stay with me. I hope to hear from you soon.

DORA

P.S. My phone number is Atlantic City 6-9272."

This letter bore the notation: "118 S. Mass. Ave. Atlantic City, 5 petitions and tabloid."

NEW YORK OFFICE

Informant furnished the following letter on the stationery of the Committee to Secure Justice for MORTON SOBELL, 940 Broadway, New York 10, New York. It was dated December 3, 1958, and is as follows:

- 31 -

"SARAH HAMMOND, Washington Committee, Dear SARAH: It was nice talking to you the other day. Since then, we've had some good news as of this morning.

An appointment had been requested with ROGERS, but MIKE PERLIN received a reply from REED COZART, the Pardon Attorney, saying that if it was a question of executive clemency, he was the one to see and he would be willing to make an appointment. Thereupon, an appointment was fixed for this Monday, the 8th, with MIKE, HELEN, ROSE and COZART. HELEN and ROSE will submit petitions collected so far, names of VIP signers and Chicago will also send in their special appeal by then.

HELEN will go to her family on Friday and stay over. ROSE will come in on Sunday. ROSE wants to spend several days in Washington and then go up to Baltimore and Philadelphia at the end of the week. She'll need a place to stay while in Washington, and she was wondering whether you would have any room, or if not, whether you could arrange another place where she could stay with someone.

She said she'll telephone you when she arrives on Sunday which should be about 3 or 4 in the afternoon. If you are not home, she'll call ETHEL, so that you could leave a message.

We're pleased at the appointment. As long as they are willing to talk about this, it is a good thing.

PEGGY seems to be O.K. Hope your job works out well.

Regards, (signed) TED TED

P. S. --no trace of the Baptist signatures, but we're still checking."

SAN FRANCISCO OFFICE

The informant made available copies of the following correspondence:

"2801 Turk Street San Francisco, Californie June 17, 1958 "

"Mrs. ROSE SOBELL 940 Broadway New York, N.Y.

"My dear Mrs SOBELL:

"Several days ago Mrs STEINGART called me and asked that I write the enclosed letter to my Congressman and send you a copy.

₩FO 100-25474

" I trust the skies and brightening for you all and that soon the prison doors at Atlanta will open for Morton. Be sure to extend to him my continued good wishes for his relrase.

" With best wishes to you all at the office, If am;

"Sincerely yours,

(signed) P. McCORMACK

Rev PETER McCORMACK."

The copy of the letter to which he referred to above, is as follows:

"Congressman W. MAILLIARD House of Representatives Washington, D. C.

"Dear Mr. MAILLIARD:

"I am writing you in reference to a case in which I am deeply concerned and in which more and more of the serious minded citizens of our country is concerned. The case is that of MCNTON SOBELL, who as you no doubt recall was the victim of the hysterian that gripped the country a few years ago and for which most are now utterly ashammed.

"I served as Protestant Chaplain at Alcatraz for a number of years and it was during that time I came to know Mr SOBELL while he was imprisoned there. Through the years I came to regard him highly as a man and a scholar, meeting courageously the difficult situation in which he found himself. The longer I knew him, the more convinced I became of his innocence and decided to share with others in trying to redress the wrong committed. Some of the wrongs committed at

•

that time can never be atoned for, but the opportunity is ours to bring about the deliverance from prison this one who was unjustly accused and sentenced.

"A number of attempts have been made during the six years since Kr SOBELL was sentenced to get a re-hearing of his case, or a reduction from a thirty years sentence, or Presidential Clemency. The voice of the people of America is being heard, calling for action on the part of the courts of the country. We are now extending this appeal to the members of the Senate and Congress of the United States.

"As my Congressman, I appeal to you to give consideration to this case. Mrs ROSE SOBELL, the mother of MORTON SOBELL will be in Washington soon, endeavering to solicit the interest of the representatives of the people. I request that you give a sympathetic hearing to the plea presented by Mrs SOBELL on behalf of her son.

"It does seem tragic, in the light of our nations need for men highly skilled in the field of science, that so many of these men have been intimidated and imprisoned and the country deprived of the services of some of our best scientists. Mr SOBELL ar a loyal citizen of our country, whose one desire is to serve his country, yet he languished in prison, with but one thought to sustain him, that the power of public opinion will yet be felt and heard as it strives for clemency for SOBELL.

"Your interest in the SOBELL appeal will be greatly appreciated.

"Cordially yours,

Rev PETER MCCORMACK"

The next item made available by the informant was a letter on the stationery of Dr. FUGENE EAGLE, Optometrist, 1561 Fillmore Street, San Francisco, California. It is as follows:

- 56 -

"June 5, 1958"

"Mrs. ROSE SOBELL 940 Broadway, Room D New York, N. Y.

"Dear Mrs. SOBELL,

"A copy of the enclosed letter was mailed to Congressman SHELLEY and MAILLIARD and to Senators KNOWLAND and KUCHEL.

"Regards and best wishes.

"Sincerely yours,

(signed) EUGENE EAGLE

Dr. EUGENE EAGLE, O. D."

The letter referred to above is as follows:

"June 5, 1958

"Hon. JOHN F. SHELLEY House Office Building Washington, D. C.

"Dear Congressman SHELLEY:

"Mrs. ROSE SOBELL will shortly call upon you on behalf of her son, MORTON SOBELL. Mr. SOBELL was convicted of conspiracy to commit espionage. The trial record shows that he was not in a conspiracy with his co-defendents; and that he beither received nor passed on any atomic or other security information. ∦ ¥¥FO 100-25474

"Mr. SOBELL was convicted at a time when to be accused was tantamount to being found guilty. He is now serving his eighth year of a thirty year sentence.

"Today Americant and Russians are freely exchanging information far more vital than that which Mr. SOBELL was accused of passing. Nothing can be gained by keeping him in prison any longer. Americans, and particularily scientists, cannot feel wholly free while Mr. SOBELL remains imprisoned. His imprisonment serves as a reminder of a dark period of our history.

"May I ask you to give Mrs. SOBELL an attentive audience; and being convinced of the merits of her case and that of her son, to intercede with President EISENHOWER for commutation of his sentence."

Informant also made available a copy of a letter on the stationery of "Bay Area Counsel of Sobell Committees, 646 Franklin Street, San Francisco, California," dated June 12, 1958, addressed to Congressman JOHN F. SHELLEY, and which is as follows:

"Dear Sir:

"This will introduce Mrs. SYLVIA STEINGART, a member of the San Francisco Committee to Secure Justice for MORTON SOBELL, and Mrs. ROSE SOBELL, mother of MORTON SCBELL, in who's behalf I have accepted the honor of being Chairman of the Bay Area Council of Sobell Committees.

"I am sure that there are many aspects of the Rosenberg-Sobell case that have not yet come to your attention, and it is my hope that this interview may bring some of them to your notice and may aid in inducing you to join us in asking for some measure of justice through executive action.

"Trusting that you may find this matter of particular interest you, as you know it is to me, and assuring you that I am greatly appreciative of past favors, I am

"Sincerely and respectfully yours,

(Signed WARREN K. BILLINGS)

"Chairman, Bay Area Council of Sobell Committees"

¥FO 100-25474

Included with the above letter was one dated June 12, 1958, addressed to Congressman JOHN F. SHELLEY and which was signed by SYLVIA S., possibly Mrs. SYLVIA STEINGART, mentioned in the above letter. This letter is as follows:

"Dear Friend JACK:

"Just a line to congratulate you on your recent victory in the primary election. It gives me pleasant satisfaction to know that some of the people DO recognize the able and honest efforts of a good representative, some of the time at least, regardless of their party affiliation. I don't like the cross-filing system until some worthy candidate succeeds in winning both nominations 'hands down' at the primaries like you did.

"I want to also express my sincere appreciation to you for the action you took on the matter of Dr. SANCHES PENTON some time back when I wired you about that matter, and I also wish to express my appreciation of your more recent efforts in the matter of the deportation of WILLIAM HIEKKILA. I wish there was something that could be done to dampon the ardor and curb the activities of BRUCE BARBER of the local immigration department. He seems to fancy himself as a 'Storm Trooper'. Undoubtedly it is good for us to have "Iaw & Order" but I don't believe it is right for him, or any other public official, to think that he is the law and has the right to issue all the orders.

"As you know, I have been trying to do a little something to assist in correcting what I consider a very grievous wrong, that is, the continued imprisonment of an innocent man, namely, MORTON SOBELL. You can, of course, understand my interest in any case of unjust imprisonment, and you can realize too how easy it is for innocent people to get convicted of serious crimes, particularly under the stress and excitement of public hysteria during such periods as the late McCARTHY witch-hunt. I know you are familiar with the history of the many miscarriages of justice that have occurred in the past, the Haymarket Case, the Dreyfuss Case, the Mooney-Billings Case, and particularly the King, Kamsey, Connor Case, just to mention a few - and I know that you have the understanding and sympathy necessary to make you

- 59 -

realize the probability that the Rosenberg-Sobell Case should be added to this list. I know, too, that you have the faith in honest justice and good government that makes you want to see justice prevail and to see every injustice corrected. Therefore, it is my opinion that the case of MORTON SOBELL should be of interest to you, and it is for that reason that I am taking the liberty to send you, by special courier, a letter introducing to you Mrs. ROSE SOBELL, the mother of MORTON SOBELL, to whom I hope you may be able to grant an audience, and who will, I trust, explain to you more fully the details of the case of her son and the reasons why you, as an important figure in the Congress of the United States, should become actively interested in seeing that justice is done in this case.

"Begging your indulgence for the length of this communication and assuring you that I, and many other of your friends and constituents, do greatly appreciate your efforts in behalf of the people and in the interest of Civil Rights and Civil Liberties, I am,

"Sincerely and fraternally yours,

(Signed "SYLVIA S.")

Informant also made available a copy of an envelope which was postmarked Oakland, California, June 19, 1958, and addressed to Mrs. ROSE SOBELL, Park Central Apts., 1900 "F" St., N.W., Washington, D. C. This envelope bore the return address of C. T. KRVAR, 1757 - 26th Avenue, Oakland 1, California. It contained a letter signed by MARY C. KRVAR and addressed to Congressman GEORGE P. MILLER. The letter is as follows:

"Dear Congressman MILLER:

"Mrs. ROSE SOBELL, the mother of MORTON SOBELL, is in Washington during the month of June to discuss the case of her son with members of Congress and others.

"MORTON SOBELL, as you may know, was convicted in 1951 with JULIUS and ETHEL ROSENBERG on a "conspiracy to commit espionage" charge, and was sentenced to 30 years in

in prison. Over these years, since 1950 when he was arrested and jailed, he has maintained his innocence. Many Americans believe there are a number of important questions concerning the charge against him, the evidence produced (or lack of it), and other such matters, which have never been answered satisfactorily. Both Mrs. ROSE SOBELL and Mrs. HELEN SOBELL, Mr. SOBELL's wife, have worked unceasingly these past eight years to win his freedom, and to prove his innocence of any crime.

I most respecfully request that you grant an interview with Mrs. ROSE SOBELL, who will be calling your office. I urge that you listen to her story, and that you use your best judgement in assisting her in any way you can.

Thank you for your courtesy in this matter.

"Yours truly,

(Signed MARY C. KRVAR)

SEATTLE OFFICE

The informant made available a letter to Mrs. MORTON SOBELL, % Committee to Secure Justice for MORTON SOBELL, 940 Broadway, New York 10, New York. This letter was dated June 18, 1958, and was on the stationery of Caughlan and Operdack, Attorneys in Seattle, Washington. This letter was signed by JOHN CAUGHLAN and reads as follows:

"Dear Helen:

. . . .

"Your wire received last Thursday, June 12th, on letters to congressmen arrived at a time when two of the most active members of our committee are out of town. However, I have been told of four (4) letters which have been sent to the following senators and congressmen:

> "Senator WARREN G. MAGNUSON Representative THOMAS PELLEY Representative DON MAGNUSON -

"I will endeavor to send you copies of the letters which were sent. I might also add that I have not yet been able to

contact Rev. HAROLD BASS in Tacoma, whom I am quite sure will write to TOLLEFSON. I will write him this evening, and also, send a letter to LOU CONRAD in Spokane asking her to get in touch with HORAN and get as many letters as possibly from there.

"Unfortunately, there is no possiblity at least in the immediate future of our sending any delegates to Washington, D. C. We will certainly do anything else we can.

"With best wishes, I am,

"Sincerely yours,

"JOHN CAUGHLAN"

The letter to Senator MAGNUSON referred to above is as follows:

"Senator WARREN G. MAGNUSON Senate Office Building Washington, D. C.

"Dear Senator MAGNUSON:

"During the past two years, I have become very much interested in the case of MORTON SOBELL who was convicted of conspiracy to commit espionage with JULIUS and ETHEL ROSENBERG. He was sentenced to thirty years imprisonment and has at the present time served more than eight years of bis term. My interest in the case has led me to read the trial transcript and to review the course of the case in the appellate courts. I have also read the careful analysis of the case by Professor MALCOLM SHARP of the University of Chicago Law School in his book, "Was Justice Done?", the Columbia Law Review discussion of the trial, and numerous other books and articles relating to the case. It is my personal conviction, based upon this study, that the case represents a tragic miscarriage of justice in a time of public hysteria.

- 62 -

E,

"There is a popular misconception, as I am sure you know, that this case was reviewed by the Supreme Court, but, as was stated by Mr. Justice BLACK, the fact is that the court "has never affirmed the fairness of the trial. On the contrary the Supreme Court in reversing the Gruenwald-Halpernin convictions in May, 1956, held that cross-examination precisely analogous to that which occurred in the Rosenberg-Sobell trial was a denial of a defendant's constitutional right to a fair trial.

"But regardless of the merits of the case, the continued imprisonment of MORTON SOBELL can not be justified on any basis. As Judge KAUFMAN himself stated in sentencing SOBELL, there was no evidence whatever that he had been in **any** way involved in atomic espionage. If in fact he were guilty of any offense, and I do not believe that there was credible evidence of such guilt, he has been amply, even harshly, punished, since, during all but the last three months of his imprisonment, he was confined at Alcatras. The sentence itself, the maximum short of death, is utterly unprecedented.

"I also call your attention to the increasing number of outstanding leaders who have called for SOBELL's release. Notable among them is Senator WILLIAM LANGER who has spoken on this subject ______ (The remainder of this paragraph was illegible. The letter continues:)

"It appears to me that considerable mischief has stemmed from the concept rising out of this trial that important scientific and technilogical advantages which have occurred in the Soviet Union were made possible spies operating in the United States, rather than being the result of the long standing scientific tradition, the 'remarkable educational system, and the industrial capacity of that nation. This has given many people who should have known a highly distorted view of the relation of forces in the world today. While these dangerously unsound notions have been pretty largely exploded in recent months, MORTON SOBELL's imprisonment today in Atlanta is an unhappy monument to the persistence of these ideas.

- 63 -

i **FO** 100-25474

"I am aware, of course, that the release of MORTON SOBELL must be accomplished by the executive branch of the government. Nevertheless, greater knowledge of the case, and continued interest in it on the part of leaders in the legislative branch will both stimulate the exercise of executive clemency and insure that when it is exercised, it will meet with approval and support.

"Your earnest consideration of this matter, and your assistance in any way that you may find possible will be very greatly appreciated.

"With my warmest personal wishes to you, I am,

"Sincerely yours,

"JOHN CAUGHLAN"

Informant made available copies of the following correspondence to and from SARAH L. HAMMOND and ROSE SOBELL:

> "Park Central Apt. 1900 F St. N.W., Rm. 130 Washington, D. C. June 4, 1958

"Mr. RICHARD MAXWELL W.W.D. 8800 Brookville Road Silver Spring, Md.

"Dear Mr. MAXWELL:

"As you suggested in our telephone conversation this afternoon, I am sending you some material on the Sobell Case which you and Mr. ALLISON may find helpful.

"Mrs. ROSE SOBELL, the mother of MORTON SOBELL has come to Wash., D. C. from New York in order to present her son's case to various Senators, Congressmen and other producent citizens in the hope of securing justice for him.

"I'd like to call your attention to page 2 of the enclosed newspaper, where you will find a partial list of the many prominent Americans who have already appealed to the President for executive action in behalf of MORTON SOBELL. The names you will find thereon indicate the growing concern in our Country over whether justice has been done in the Rosenberg-Sobell Case. The enclosed article by Dr. PONTON is of special interest today when our country is concerned over our Latin American melations, and Mrs. SOBELL and I have discussed this with several people on Capitol Hill. The rest of the enclosed literature is self-explanatory.

"We feel an appearance by Mrs. SOBELL on Mr. ALLISON's program will help bring the facts in this urgent case to the attention of the people.

"Rev. JAMES D. FOY Asbury Methodist Church 11th & K St. N.W. Washington, D. C.

"Dear Dr. FOY:

"As suggested in our telephone conversation today, I am sending you some material on the Sobell Case.

"I'd like to call your attention to page 2 of the enclosed newspaper, where you will find a partial list of the many prominent Americans who have already appealed to the President for executive action in behalf of MORTON SOBELL. The names you will find there indicate the growing concern in our Country over whether justice has been done in the Rosenberg-Sobell Case. The enclosed reprint of a sermon by Dr. ERWIN A. GAEDE also reflects this concern. I hope that you will find this literature useful in your evaluation of this urgent case.

"I shall be happy to answer any of your questions and provide you with additional information.

"Mrs. ROSE SOBELL, the mother of MORTON SOBELL will be in Washington during the entire month of June. After you have acquainted yourself with her son's case, perhaps you will wish to see her and discuss it further.

"I shall call you for an appointment.

"Sinccrely yours,

"SARAH L. HAMMOND".

"Dr. DAEL WOLFLE American Assoc. for the Advancement of Science 1515 Mass, Ave., N.W. Wash., D. C.

Dear Dr. WOLFLE:

"Thank you very much for your letter and suggestions. I realize that the AAAS can do nothing about my son's case, but I'd like to ask you if you would sign the appeal to the President as an individual. Your signature would be most helpful.

"Sincerely yours,

"Rabbi NORMAN GERSTENFELD Washington Hebrew Congregation Massachusetts Ave. and Macomb St. N.W. Washington, D. C.

"Dear Dr. GERSTENFELD:

"As you suggested in our telephone conversation, I am sending some of the latest material on the Sobell Case.

"The enclosed newspaper reports the most recent developments in this vital case. I'd like to call your attention to page two of the newspaper, where you will find a partial list of the eminent Americans who have already appealed to the President for executive action in behalf of SOBELL. Ι believe you will agree that the list contains the names of . those decent Americans that you and I discussed on the A growing number of such people is passing on telephone. It is our hope that if the case reaches the this case, Supreme Court again, the nine decent Americans who have not yet passed on it, will do so and order a new trial for SOBELL. I make that remark because I believe it is important to remind people that the Supreme Court has never passed judgement on the case. Their repeated refusal to review it, as one of the Justices has pointed out, does not constitute a passing of judgement. It is, in fact, as refusal to examine it, and the Supreme Court cannot judge a case which it has not examined.

"The other enclosed material reflects the concern being shown in all segments of our country's population over the question of justice in the Sobell Case. If, after acquainting yourself with the material, you should decide to add your name to the appeal, you may do so on the enclosed form, which may be returned to:

> The National Committee to Secure Justice for MORTON SOBELL Room D 940 Broadway New York 10, N.Y.

"I assure you, your support would be most welcome.

"Sincerely yours,

"SARAH L. HAMMOND"

"Rep. CHARLES O. PORTER House Office Bldg. Washington, D. C.

'Dear Mr. PORTER:

"Mr. BEILLINGS suggested that I send you some material on the Sobell Case.

"The enclosed newspaper will give you the latest information on this urgent case. I'd like to call your attention to page two of the newspaper, where you will find a list of the eminent Americans who have appealed to the President for executive action in behalf of MORTON SOBELL.

"I think you'll be particularly interested in the enclosed discussion by Dr. PONTON on SOBELL's kidnapping from Mexico and Judge MEDINA's opinion on that particular point in our brief.

"If you desire any additional information, I shall be very glad to provide it. Perhaps you could find some time to interview MORTON SOBELL's mother, Mrs. ROSE SOBELL, who will be in Washington, at the above address, until the end of this month.

"Senator MARGARET CHASE SMITH Senate Office Bldg. Washington, D. C.

"Dear Senator SMITH:

"As you suggested in our telephone conversation, I am sending you some material on the Sobell Case.

"I believe that the enclosed translation of an article by Dr. LUIS S. PONTON, of the University of Mexico, contains information which you might wish to bring to the attention of Senator WYANE MORSE and his special subcommittee dealing with our Latin American relations. Surely, the violation of our extradition treaty with Mexico that was inherent in SOBELL's kidnapping from that country was an act which could not fail to arouse the type of animosity against our country which was displayed during Vice-Presiden: NIXON's recent trip to South America.

"Since you asked me not to send you too much material, I am limiting myself to the Ponton article. However, if you desire more information, I shall be glad to provide you with it, or Mrs. ROSE SOBELL, the mother of MORTON SOBELL, will arrange to talk to you about her son's case.

'Dear Mrs. HAMMOND:

"I have read the material which you sent me. After reading it, I cannot conclude that I would want to take any action in the matter. It would serve no purpose for me to refer this to Senator MORSE. If you wish to take the matter up with him you should do it directly.
